

# Internet Pharmacies ...

*Buying prescription medicine online can be dangerous. Our findings may alarm you.*

## Are You AWARxE?

- NABP® has **reviewed** more than **10,000 Web sites** selling prescription drugs. By some estimates, as much as **90%** of the medication bought online may be fake.
- **Only 3%** of these sites appear to be **in compliance** with state and federal laws and NABP patient safety and pharmacy practice standards.
- The other **97%** of these sites are considered **rogue sites** and are listed as **Not Recommended** on the AWARxE® Web site, [www.AWARERX.ORG](http://www.AWARERX.ORG).

## For Your Protection, Look for the VIPPS Seal

- As seen on *60 Minutes*, *Dr Oz*, and *The Doctors*, look for sites accredited through the **VIPPS®** program. These sites are listed as **Recommended** at [AWARERX.ORG](http://AWARERX.ORG).
- And don't forget about your **pets**. Protect them by looking for the **Vet-VIPPS®** Seal when purchasing their medications online.
